

#MoreThanJustACookie Give Back Program

CurlyTop Baker has always had a heart for feeding those who are less fortunate. The passion for this business started with a simple thought in mind - to connect with people and put a smile on their faces, one cookie at a time.

Our CurlyTop Baker team visits and distributes freshly baked cookies within the Las Vegas Valley on a weekly basis. This act of kindness has left a lasting impression on our hearts and has created friendships along the way. Our donated cookies travel across the world, feeding children and women affected by the sex trafficking industry. The stories and tears of those receiving our cookies has been life-changing, and the impact a single cookie made with love and care can leave on someone is priceless.

CurlyTop Baker supports several non-profit organizations that have the same vision. A portion of the proceeds from each order is funneled back into these amazing causes. Our goal is to increase our territories by continuing to reach out and feed more people with our cookies, and bringing a little hope by showing that someone cares.

#MoreThanJustACookie

Give Back Program Details

More than just a cookie give back program helps groups fundraiser without the hassle of selling, handling or delivering. Simply promote that CurlyTop Baker will give back a portion of all sales to the designated organization.

Steps are easy...

1. Fill out application
2. Receive a special promo code designated to that group
3. Promote that you are raising money and when they buy cookies online from CurlyTop Baker, 5% will come back to your group.
